OUR IMPACT

WPLN's impact is **nationwide**, with women from our network in every state.

We've invested over half a million dollars in our State Partner Network of nonprofit organizations, providing them with operational guidance, strategic planning, marketing, and technical support.

In commitment to this mission, we've expanded our reach over the last two years, bringing trainings to local communities in these states and beyond.

Women's Public Leadership Network (WPLN) is a non-profit organization organized under Section 501(c)(3) of the Internal Revenue Code. Donations are tax-deductible to the full extent provided by law.

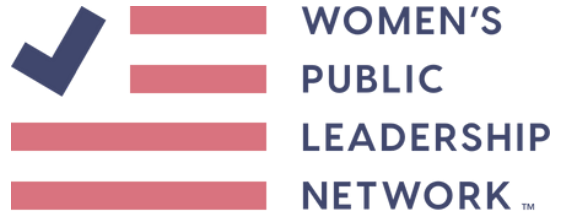

ABOUT OUR

NATIONAL SUMMIT

250 YEARS OF WOMEN LEADERSHIP IN AMERICA

WPLN's National Summit brings together women from every stage of their political journeys to hear from experts on policy and campaigns so that they are better equipped to lead in their communities.

This year, we're excited to bring our Summit to Philadelphia, PA during the 250th anniversary of America's independence!

EDUCATE

Expert-led sessions cover topics such as messaging, personal branding, using data, cultivating a diverse team, building coalitions, cybersecurity, and more. Our panels also highlight critical policy areas including energy, economic development, and the future of workforce.

ORGANIZE

WPLN is the only national nonprofit organization dedicated to reaching center- and right-leaning women. The Summit is an opportunity to foster connections and forge collaborations across regions, levels, and areas of expertise.

INSPIRE

The Summit is an opportunity to reflect and celebrate the outstanding leaders within our network. We highlight women who are breaking ground in the public, private, and nonprofit sectors, highlighting the many pathways to public leadership.

Join us for this three-day event to connect with women from across the country and establish relationships with current and future public leaders and policy makers at all levels.
